

EXECUTIVE APPOINTMENT

Andrew Zou Named Chief Human Resources Officer and Head of Corporate Communications

A dual appointment completed as an equity-linked executive placement – granting final sign-off on every communication the firm issues, and, by explicit design, no say whatsoever on compensation.

RMHSTUDIOS · OFFICE OF CORPORATE COMMUNICATIONS · 23 JUNE 2026

RMHSTUDIOS HQ – 23 JUNE 2026 – RMHStudios today announced the appointment of **Andrew Zou** as Chief Human Resources Officer and Head of Corporate Communications, effective immediately. The dual appointment was completed as an equity-linked executive placement – the firm's structure for leaders who arrive with conviction and a wire transfer – and was, the firm confirmed, paid for in full.

Under the arrangement, Mr. Zou secured both offices through a direct capital contribution made in exchange for the titles and a corresponding equity interest. The consideration was received, cleared, and non-refundable. He now holds final sign-off on every communication issued by RMHStudios and its subsidiaries – this announcement is the first to carry it – while holding no authority, vote, or advisory voice over compensation, including his own.

The firm cited Mr. Zou's **Valorant teamplay** as the decisive qualification: leadership reviewed his in-game coordination and his willingness to hold a site under sustained pressure, found the skills transferred without modification to corporate communications, and conducted no further interview.

“Andrew wanted a say in what we say and a say in what we pay. We were able to sell him one of the two,” said **Alex Wu**, Chief Financial Officer and Chief Uptime Officer of RMHStudios and Chief Executive Officer of RMH Capital. “His communications authority cleared at closing. His payroll opinion did not convey.”

“I have watched Andrew call rotations under fire and never lose the room, and I expect exactly that across our messaging,” said **Michael Huang**, Chief Operating Officer of RMHStudios and Chief Executive Officer of RMH PMC. “He holds the line. That is the whole of the job.”

“I no longer verify these placements line by line – I confirm the funds and admire the commitment,” said **Mahmoud Said**, Co-Chief Technical Officer of RMHStudios and General Managing Partner of RMHCombinator. “Mr. Zou's payment cleared, and so, evidently, did his judgment.”

RMH PMC · STATEMENT OF SUPPORT

“RMH PMC welcomes the new approval standards and looks forward to seeing every communication well received. Noncompliance has not been a problem to date. We intend to keep it that way – by whatever means corporate communications requires.”
